 In case of a tie, firms are ranked by number of licensed architects, then alphabetically.
 To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. Please send corrections or additions to the Research Department at the San Diego Business Journal. 619-802-8456. This list may not be reprinted in whole or in part without prior written permission from the editor. Some companies have declined to participate or did not return a survey by press time. It is not the intent of this list to endorse the participants or to imply a firm's size or numerical rank indicates its quality.
 (1) Top two areas of specialty and the percentage that each represents of 2017 gross billings. Percentages will not equal 100 in some cases.
